

**LISTE DES 307 SOUCHES**  
pour Préparations Homéopathiques  
inscrites à la Pharmacopée française dont 15 souches  
inscrites à la Pharmacopée européenne (★)

**A**

Abies nigra	Ammonium muriaticum
Abies pectinata	Amylium nitrosum
Abrotanum	Anacardium orientale ★
Absinthium	Anagallis arvensis
Acetanilidum	Angelica archangelica
Aconitum napellus	Angustura vera
Actaea racemosa	Antimonium crudum
Adonis vernalis	Antimonium tartaricum
Adrenalinum	Apis mellifica ★
Aesculus hippocastanum	Aralia racemosa
Aethiops mercurialis mineralis	Argentum metallicum
Aethusa cynapium	Argentum nitricum
Agaricus bulbosus	Aristolochia clematidis
Agaricus muscarius	Arnica montana
Agnus castus	Arsenicum album ★
Agraphis nutans	Arsenicum iodatum
Ajuga reptans	Artemisia vulgaris
Alchemilla vulgaris	Arum triphyllum
Aletris farinosa	Arundo donax
Alfalfa	Asperula odorata
Allium cepa	Aurum metallicum
Allium sativum ★	Aurum muriaticum natronatum
Aloe	Avena sativa
Alumina	Avoine germée
Ambra grisea	

**B**

Badiaga	Berberis vulgaris
Ballota foetida	Betula
Baptisia tinctoria	Bismuthum
Baryta carbonica	Blé germé
Baryta iodata	Boldo
Baryta muriatica ★	Borax
Belladonna	Bovista gigantea
Bellis perennis	Bryonia
Benzoicum acidum	Buxus sempervirens
Berberis aquifolium	

**C**

Cactus grandiflorus	Cinnabaris
Cadmium sulfuricum ★	Citrus aurantium
Caladium seguinum	Clematis erecta
Calcarea carbonica ostrearum	Clematis vitalba
Calcarea iodata ★	Cocculus indicus
Calcarea phosphorica	Coccus cacti
Calcarea sulfurica	Cochlearia armoracia
Calendula officinalis	Coffea cruda
Capsicum annum	Colchicum autumnale
Carbo vegetabilis	Collinsonia canadensis
Carduus marianus	Colocynthis
Cascara sagrada	Combretum raimbaultii
Caulophyllum thalictroides	Condurango
Causticum	Conium maculatum
Ceanothus americanus	Convallaria majalis
Cedron	Crataegus oxyacantha
Chamomilla vulgaris	Crocus sativus ★
Chelidonium majus	Croton tiglium
Chimaphila umbellata	Cupressus sempervirens
China rubra	Cuprum aceticum ★
Chininum sulfuricum	Cuprum metallicum ★
Chionanthus virginiana	Cyclamen europaeum
Cina	Cynara scolymus
Cineraria maritima	Cypripedium pubescens

**D**

Damiana	Dolichos pruriens
Digitalis purpurea	Drosera
Dioscorea villosa	Dulcamara

**E**

Echinacea angustifolia	Eschscholtzia californica
Equisetum arvense	Eucalyptus globulus
Equisetum hiemale	Eupatorium perfoliatum
Erigeron canadensis	Euphrasia officinalis

**F**

Fagopyrum esculentum	Formicum acidum
Ferrum metallicum ★	Fraxinus americana
Ficus carica	Fraxinus excelsior
Fluoricum acidum	Fucus vesiculosus
Foenum graecum	Fumaria officinalis
Formica rufa	

**G**

Galeopsis ochroleuca	Glechoma hederacea
Galium aparine	Glonoinum
Gelsemium	Graphites
Genista scoparia	Grindelia
Gentiana lutea	Guaco
Ginkgo biloba	Guaiaicum

**H**

Hamamelis virginiana	Histaminum
Harpagophytum	Humulus lupulus
Hedera helix ★	Hydrastis
Helianthus annuus	Hydrocotyle asiatica
Helleborus niger	Hyoscyamus niger ★
Heracleum sphondylium	Hypericum ★
Hieracium pilosella	

**I**

Iberis amara	Ipeca
Ignatia amara	Iris versicolor
Iodum	

**J**

Jaborandi	Juniperus communis
Juglans regia	

**K**

Kalium arsenicosum	Kalium nitricum
Kalium bromatum	Kalium phosphoricum
Kalium carbonicum	Kalium sulfuricum
Kalium iodatum	Kalmia latifolia
Kalium muriaticum	

**L**

Lamium album	Lilium tigrinum
Lapis albus	Lithium carbonicum
Lappa major	Lobelia inflata
Laurocerasus	Lonicera caprifolium
Lavandula vera	Lotus corniculatus
Ledum palustre	Lycopodium clavatum
Lespedeza capitata	Lycopus

**M**

Magnesia carbonica	Mercurius bi-iodatus
Magnesia muriatica	Mercurius corrosivus
Magnesia phosphorica	Mercurius dulcis
Magnesia sulfurica	Mercurius proto-iodatus
Malva sylvestris	Mercurius vivus
Manganum aceticum	Mezereum
Melilotus officinalis	Millefolium
Melissa officinalis	Moschus
Menyanthes trifoliata	Muriaticum acidum

## N

Natrum carbonicum	Nitricum acidum
Natrum phosphoricum	Nux moschata
Natrum sulfuricum	Nux vomica
Nerium oleander	

## O

Olea europaea	Origanum majorana
Orge germée	Oxalicum acidum

## P

Paeonia officinalis	Picricum acidum
Pareira brava	Pix liquida
Parietaria officinalis	Plantago major
Passiflora incarnata	Podophyllum peltatum
Phellandrium aquaticum	Propolis
Phosphoricum acidum	Prunus spinosa
Physostigma venenosum	Ptelea trifoliata
Phytolacca decandra	Pulsatilla

## R

Ranunculus bulbosus	Ribes nigrum
Raphanus sativus niger	Ricinus communis
Ratanhia	Robinia pseudo-acacia
Rhamnus frangula	Rosmarinus officinalis
Rheum	Rumex crispus
Rhododendron ferrugineum	Ruscus aculeatus
Rhus toxicodendron	Ruta graveolens

## S

Sabadilla	Silicea
Sabal serrulata	Solidago virga aurea
Salix alba	Spigelia anthelmia
Salvia officinalis	Spiraea ulmaria
Sambucus nigra	Spongia tosta
Sanguinaria canadensis	Staphysagria
Sanicula europaea	Sticta pulmonaria
Saponaria officinalis	Stramonium
Sarsaparilla	Sulfur
Scrofularia nodosa	Sulfur iodatum
Senega	Sulfuricum acidum
Senna	Symphytum officinale
Sepia officinalis	

## T

Tabacum	Tilia argentea
Taraxacum dens leonis	Tilia europaea
Teucrium scorodonia	Triticum repens
Thlaspi bursa-pastoris	Tropaeolum majus
Thuya occidentalis	

## U

Urtica dioica ★	Ustilago maidis
Urtica urens	Uva ursi

## V

Vaccinium myrtillus	Vinca minor
Valeriana officinalis	Vinca rosea
Veratrum album	Viola tricolor
Verbascum thapsus	Viscum album
Viburnum prunifolium	

## Y

Yucca filamentosa

## Z

Zea mais	Zingiber officinale
Zincum metallicum	

★ *Suches inscrites à la Pharmacopée européenne*
